

CHAPTER 5 – ADULT CUSTODY AND SECURITY OPERATIONS

ARTICLE 51 — FOOD SERVICE

Revised July 13, 2010

[Sections 54080.1 through 54080.7 are unchanged]

54080.8 Emergency Food Supply

June 6, 2014

Each institution shall at all times maintain sufficient quantities of non-perishable food items, such as canned stew or pork-free beans, to serve at least eight meals to the inmate population in an emergency. If judged necessary, the emergency food supply may be maintained separately from general supplies. The emergency food supply shall be rotated into the menu within 36 months of purchase. Departmental Correctional Food Managers shall rotate one-third of the emergency food items annually.

[Sections 54080.9 through 54080.22 are unchanged]
